

Naturally beautiful skin

Our skin has many tasks to fulfil: It ensures the regulation of heat and moisture, protects the underlying tissue and is our largest sensual organ at the same time. Over the course of our lives, it goes through big changes: Our baby chubby cheeks become soft children's cheeks, firm adolescent skin starts to get wrinkles as we age. Later, the skin becomes thinner and more sensitive. But with a good care regime, the skin will remain supple and healthy in every stage of life.

NEO-BALLISTOL HOUSEHOLD REMEDY

WITH DEEP EFFECT

Area of application: For rubbing and massaging into the skin, especially hands and feet. Regenerates the skin and keeps it healthy throughout your life, makes it soft and supple. Cares for dry, chapped and flaking skin, also recommended for neurodermatitis. Acts against calluses, athlete's foot, nail bed inflammations and broken nails. Prevents the formation of blisters and skin irritation. Also ideal for sunburn, treating wounds and caring for scars. Reduces irritation after mosquito bites, for example. Suitable for use as a lip balm or care after shaving. As a massage oil, it stimulates the circulation of blood throughout the skin and muscles. It also helps against varicose veins, circulatory disorders, joint complaints, sore muscles, osteoarthritis and prevents bedsores.

Historic: Unchanged in its manufacture for over 80 years. Numerous customer reports show that Neo-Ballistol household remedy is used traditionally and very successfully for everything possible. It is already being used with success, even for stomach and digestion complaints (e.g. heartburn, bloatedness, flatulence), sore throats, mouth ulcers, for healing wounds and first aid during expeditions.

Advantages:

- Unchanged formula for over 80 years
- Strictly regulated manufacturing process in accordance with Quality of Medicines regulations
- Consists of proven natural active substances and medically pure white oil
- Contains many effective essential and skin-caring oils (including peppermint oil, anise oil) and rice bran oil (also known as rice husk oil, which is rich in vitamin E)
- Absorbs quickly by the skin
- Dermatologically and allergologically tested as "Very Good" (Source: www.ballistol.de)
- Clinically tested
- Suitable for sensitive skin, also recommended for neurodermatitis
- Free from synthetic fragrances, colourings and preservatives or animal oils
- Renders other remedies unnecessary thanks to its diverse application options

Note: Has a expiration date of at least 24 months after initial opening. A white emulsion is formed when combined with water. Avoid eye contact as this can cause a slight burning sensation. Due to the age-related menthol intolerance (peppermint oil), not suitable for children under 2 years of age.

*Free from ingredients of animal origin
